## Learn to Sail Curriculum Summary

### Basic Keelboat Sailing (ASA 101)

**Prerequisites:** None

**Description:** Able to skipper a sloop-rigged keelboat of approximately 20 to 27 feet in length by day in light to moderate winds (up to 15 knots) and sea conditions. Knowledge of basic sailing terminology, parts and functions, helm commands, basic sail trim, points of sail, buoyage, seamanship and safety including basic navigation rules to avoid collisions and hazards. Auxiliary power operation is not required. Sailing Made Easy textbook, ASA Official Certification Logbook. ASA membership an additional \$39.00.

### Basic Coastal Cruising (ASA 103)

**Prerequisites:** Basic Keelboat Sailing (ASA 101) certification

**Recommended:** A minimum of 80 on-water sailing hours before undertaking ASA 103  
**Description:** Able to skipper a sloop-rigged auxiliary powered (inboard or outboard engine) keelboat of 25 to 35 feet length by day in moderate winds (up to 20 knots) and sea conditions. Knowledge of cruising sailboat terminology, basic boat systems, auxiliary engine operation, docking procedures, intermediate sail trim, navigation rules, basic coastal navigation, anchoring, weather interpretation, safety, and seamanship. Coastal Cruising Made Easy textbook included.

### Coastal Navigation (ASA 105)

**Prerequisites:** None

**Description:** Able to apply the navigational theory and practices for safe navigation of a sailing vessel in coastal and inland waters. On-water coastal navigation skills elements are contained in the Basic, Intermediate and Advanced Coastal Cruising Standards in progressively increasing levels of detail. Includes Coastal Navigation Manual (Pyzel), Course Presentation CD, and practice charts.

### Intermediate Coastal Cruising (ASA 104 Bareboat Cruising)

**Prerequisites:** Basic Keelboat Sailing (ASA 101), Basic Coastal Cruising (ASA 103) certifications  
**Recommended:** Coastal Navigation (ASA 105) certification and a minimum of 80 on-water sailing hours before undertaking ASA 104

**Description:** Able to skipper a sloop-rigged, auxiliary powered keelboat of 30 to 45 feet in length during a multi-day cruise upon inland or coastal waters in moderate to heavy winds (up to 30 knots) and sea conditions. Knowledge of provisioning, galley operations, boat systems, auxiliary engine operation, routine maintenance procedures, advanced sail trim, coastal navigation including basic chart plotting and GPS operation, multiple-anchor mooring, docking, health & safety, emergency operations, weather interpretation, and dinghy/tender operation. Includes Bareboat Cruising Made Easy textbook.

### Advanced Coastal Cruising (ASA 106)

**Prerequisites:** Basic Keelboat Sailing (ASA 101), Basic Coastal Cruising (ASA 103), Coastal Navigation (ASA 105), and Bareboat Cruising (ASA 104) certifications

**Description:** Able to safely function as skipper and crew of a sailing vessel about 30 to 50 feet in length in coastal and inland waters, in any conditions.

## Private Lessons

For those who have specific goals in mind, we offer private lessons. This can include refreshers, specific skills targeting, shakedown cruises, and deliveries. Private lessons held on your boat or ours and designed to meet your needs.

### Private Lessons on OUR Boat

Pick a boat that will best fit your requirements and budget, and one of our ASA certified instructors/USCG licensed captains will help you reach your goals  
\$90/hr. one to three students (2-hour min.) aboard a 23ft. Sonar  
\$150/hr. two to three students (3-hour min.) aboard a 26ft. Pearson or 28ft. Seamaster  
\$200/hr. two to four students (4-hour min.) aboard a 31 ft. Pearson

### Private Lessons on YOUR Boat

A part of our business is helping new and existing boat owners develop their skills. One of our instructors will go to your boat and cover any topics that you would like. We specialize in all aspects of maneuvering under sail, docking techniques, tight quarters boat handling (under sail or power), anchoring techniques, and much more.  
\$90/hr. one to three students (4-hour min.) up to 25ft. boat,  
\$150/hr. two to three students (4-hour min.) aboard 26-29ft. boat,  
\$200/hr. two to four students (4-hour min.) 30ft. or larger boat,  
\$20/hr. travel time over a 30-minute drive.

**Custom ASA Courses** Are you having trouble finding a course that fits in with your busy lifestyle? Would you prefer to take an ASA course on your boat? Consider taking the course as a private lesson! Learn together with your crew. Pick weekdays, weekends, or evenings over a two or three-week period (course must be completed within three weeks to be effective).

**Contact us for scheduling. Early reservations are recommended.**

## ASA Challenge

For those with sailing experience, ASA offer sailors the opportunity to Challenge the Standard. You are required to pass both a written and an on-the-water practical exam without instruction for each level. Your instructor will ask you to perform the practical skills required in the ASA logbook for the level challenged. You must receive a grade of 100% to take the written part of the exam. Then, if you pass the written exam with a minimum grade of 80%, you will be approved for the appropriate certificate.
